ARBOR

Product Sheet

August 2026 | v3

The Arbor profile is inspired by traditional fieldstone. With its bold, irregular stone shapes, it evokes rustic charm and timeless authenticity, bringing warmth and character to both residential and architectural spaces.

Product Features

- Integrated 0.5" air gap thanks to the EziKi anchor key system — promotes wall ventilation and moisture control
- Reversible panels with built-in corners — reduce material waste and optimize installation
- Galvanized steel anchor keys and starter strips – mortarless installation
- A lightweight concrete solution that is mindful of nature with over 70% recycled content
- Limited transferable 50-year warranty
